On St. Thomas, the extended hours and locations are as follows:

Taxpayers who are unable to file their 2017 returns by the June 29th due date are reminded that they can file an extension by using Form 4868. To obtain approval of the extension, the taxpayer must properly estimate the tax liability due and file the Form 4868 no later than June 29th. The extension is only for the filing of the tax return. Taxpayers who owe taxes must pay the tax due on June 29th to avoid the failure to pay penalty. The extension will be granted until October 15, 2018.

Questions concerning the extended office hours can be directed to the Processing Division at (340) 715-1040, extension 2223.
